- 6.4 Similarly, Committee and their members require specific delegations from the Board as a whole and these will be contained in each Committee's respective Terms of Reference.
- 6.5 In general, the Board delegates all powers and authorities required, to effectively and efficiently, carry out the Company's business. Exceptions to the delegations are provided in internal policy documents.

7. THE BOARD'S RELATIONSHIPS WITH SHAREHOLDERS

- 7.1 The Board will regularly evaluate economic, political, social and legal issues and any other relevant external matters that may influence or affect the development of the Business or the interests of Shareholders and, if thought appropriate, will take outside expert advice on these matters.
